

**Housing Information
Summer 2018**

First, some vocabulary:

1. **Lease.** Your contract with your apartment complex. Once you sign, you agree to follow every rule and YOU CAN NEVER CANCEL IT. Most leases in the US are for 12 months, so be very careful when you sign!
2. **Sublease.** Someone moves out before the end of their lease, and you take over their lease. They are usually cheaper and have more flexible dates. Contact Victoria Shelly at vcshelly@ufl.edu if you are interested, or search [here](#).
3. **Individual lease.** You pay for your bedroom and bathroom but share a living room and kitchen with roommates.
4. **Joint lease.** You pay for the entire apartment. If you have roommates, they pay you their portion of the rent.
5. **Guarantor.** A person who agrees to be responsible for your debt if you fail to pay. As an international student, you are usually your own guarantor.
6. **Tenant.** Someone who signs a lease and rents an apartment (you!).
7. **Rent.** Money you pay on the first of the month to live in your apartment. You cannot pay in cash.
8. **Utilities.** Water, electricity, cable, internet.
9. **Utility allowance.** The amount of utilities your apartment complex pays per month. If you use more utilities than your allowance, you will be charged for the extra.
10. **Security deposit.** Extra money you must pay to secure your apartment. Sometimes refundable when you move out.
11. **Fee.** Extra money you must pay for processing.
12. **Late fee.** Extra money you must pay if your rent is late.
13. **Amenities.** Features that provide comfort or convenience (gym, pool, stainless steel appliances, etc.).
14. **Roommate.** Someone you live with who is not your family.
15. **Complex.** The entire group of buildings for one apartment community.

Can I move into my apartment the same day I sign my lease?

No. The apartment complex needs a few days to prepare your apartment. You should plan to stay in a hotel until then.

Can I walk to school?

Maybe! For most apartments you will need to take a bus, but the bus is free and Gainesville is small.

What will my apartment include?

At many complexes with individual leases, furniture and utilities are included. Even if your apartment includes furniture, you still need to buy sheets, towels, pillows, and kitchen supplies.

When will my lease end?

It depends. Make sure you know the exact date your lease ends before you sign it. Summer term ends August 10, 2018.

What rules do I have to follow in my apartment?

1. Do not smoke in your apartment.
2. Use a shower curtain in your bathroom. A shower curtain keeps the water inside the bathtub. American bathrooms are not designed for the whole bathroom to get wet when you shower, and getting water on the floor all the time will cause mold and other damage to your bathroom.
3. Do not get a pet without asking permission from the apartment complex office.
4. Do not make any changes to the electrical or plumbing systems.
5. Do not have long-term guests (friends or family who stay more than a few nights).
6. Take good care of your apartment. Clean it regularly.
7. Do not do anything illegal in your apartment.
8. If your roommate breaks any of these rules, tell your apartment complex office as soon as possible.
