Kennedy Space Center
See the Space Program in action!

On Saturday, December 1st, we are headed to the home of our space program, Kennedy Space Center!

Would you like to see where the space shuttles take off? Would you enjoy hearing the history of and future plans for space travel? Well, you can do all this at Kennedy Space Center. There are so many fun and exciting things to do there:

- You can watch an exciting 3-D movie about space cities in the next century.
- You can take a bus tour of the Space Center
- You can watch and IMAX movie about the NASA program
- You can tour the Saturn V rocket center, the Shuttle Plaza, the Rocket Gardens, the Mars Exhibit, the Astronaut Memorial, and the Gallery of Space Flight.

We will meet at the TRiP Office at 8am and probably get back around 10pm. This is a van trip; remember, if the van does not fill up, we cannot go on the trip! The cost of van tickets is \$25 and admission to the Space Center is \$38.

Manners and Grammar

Not enough room this week, folks! We'll return with the columns next week.

Notes from the Office

- **Library Fines and Infirmary Fees**—Since we're coming closer to the end of the semester, we just want to remind you that now is a good time to think about clearing up any fees and fines that you might have with the university. If there are any outstanding balances owed, we won't be able to release any of your academic information or certificates to you.
- **Part-time students and TOEFL:** Part time students, don't forget-if you wish to take the ELI TOEFL with the other students, you must

actually sign up for it in the ELI Main Office, Room 315. If you have not already done so, please go and sign up as soon as possible.

Birthdays

The following are ELI birthdays from November 30-December 6:
