## Notes from the Office

- **Class Attendance**—Remember, your attendance is very, very important. We have been asked to remind you that **every 3 tardies counts as 1 hour of absence, and you are limited in the number of hours you can miss.** If you have any questions about your attendance, be sure to ask your teachers as soon as possible.
- **Lost and Found**—Folks, if you lose anything in the classrooms or in the hallways of the ELI, don't forget to check in the ELI Main Office, Room 315, to see if it has been turned in. We have a box of found stuff that stays pretty full.
- **Student Mail**—Please remember to check from time to time to see if you have any mail from home or from other sources. The

student mailbox is a tray located on the shelf immediately below and on the right-hand side of the teachers' mailboxes just inside the door in the ELI Main Office.

## Graduate Info Day

The Career Resource Center is hosting Graduate and Professional School Information Day from 10:00 a.m. - 2:00 p.m., Oct. 22, 2008 in the J. Wayne Reitz Student Union. ## Manners and Culture

*Q: What's Halloween and why is it such a popular holiday in the US?*

A: It's actually a combination of ancient Celtic and early Christian traditions. In Europe, All Hallows Eve (the night before All Saints' Day—November 1 on the calendar) was said to be a night when ghosts and spirits would roam the earth; people carved scary faces in vegetables and left them out to scare the spirits away. This tradition is carried on in modern times with the carved pumpkins. In the 20<sup>th</sup> century, it became a popular holiday for children. And, so many of us remember fun at Halloween as kids that it has gradually become a holiday that adults enjoy as well!

*Q: Why is the US a multicultural nation?*

A: We've always been a nation of immigrants. From the start of American history, from the standpoint of European colonization, the American story is one of many different people coming here for many different reasons, including freedom from religious persecution, economic opportunity, and the sheer adventure of starting something new.

*Q: How do people in the US visit other states other than by plane or car?*

A: Well, those are the big ones. There is also the Greyhound Bus

system, which is often the least expensive option (though it can also take the longest), and many of our larger cities are also linked by Amtrak train, particularly in the Northeastern US.

*Q: Why do some Americans not like to say their age?*

A: Among taboo questions for us, the questions that involve numerical comparison are usually on the list. We don't like to talk about money, physical measurements, or even things like our grades in school.

## Grammar

*Q: What's the difference between "who" and "whom"?*

A: Technically, "who" is a subject pronoun and "whom" is an object pronoun. The problem is, we're increasingly not using "whom" at all, particularly in spoken English. The only time it's absolutely required in spoken English is if you put a preposition first. And most people don't even do that!

## Quote of the Week

The best index to a person's character is

- (a) how he treats people who can't do him any good, and
- (b) how he treats people who can't fight back.
